Prescott Choir Member Agreement 2019-2020

- I am a leader in this school and I am expected to behave as such.
- I will try my best to help the choir. That means working hard and being supportive.
- I will behave respectfully in choir and in class. I will complete homework and assignments to the best of my ability.
- By joining the choir, I have made a commitment to attend practices and performances and display school pride. If I am going to be late or absent for a practice or performance, I will let my choir director know in person or by email as early as possible. I will not send a message with a choir member to the director.
- If I am unable to be an active participant in practice, I will still attend so I can learn with the choir and support the choir.
- I will show respect to choir members, the choir director, adjudicators, other choirs and the audience.
- Failure to meet the expectations of this agreement may result in reduced performances or removal from choir.

Please Return by September 24, 2019.
