February 2021

General Information

Student Registration

All students from Early Education (3-4 Year Program) to Grade 12 will be able to either register (new students) or verify their existing data (returning students) online, beginning **February 8, 2021**.

To ensure that their child receives a bus pass prior to the start of the next school year, parents are required to complete registration by **4:30pm on March 25, 2021**. This deadline will facilitate the routing of buses, bus pass production and data verification before the summer break while schools are still operating.

To register (after Feb. 8), or to find more information about registering your child, visit Parkland School Division's [Registration webpage](#).

Thank you for attention to this!
