1. Welcome

We honour all the many First Nations, Metis, and Inuit whose footsteps have marked these lands for centuries. We acknowledge that the ancestral and traditional lands on which we gather are Treaty 6 territory, a traditional meeting ground for many indigenous peoples, and in particular our neighbors, Paul First Nation, Enoch Cree Nation, Alexis Nakota Sioux Nation, and Alexander Cree Nation; on whose territory we work, live, and play, and on whose territory we stand.

b. Questions from parents:

- i. Parents are walking up to students while the students are outside but before the dismissal bell, so the students are actually still in class. Parents are not wearing masks, and they are approaching students who are not their children, to have conversations with them. Can we please have an email sent to all parents advising them this is not appropriate and that they should not be approaching other people's children, during or even after school, even if the children are outside. The 6 foot distancing is not being adhered to.

- ii. Teachers sending emails: Can teachers please be reminded that when sending emails to parents, that they should be using BCC and not CC. This is a FOIP issue and parents should not have access to other parents email addresses.
