

Prescott Weekend Update

March 17th, 2024

Good Afternoon PLC Families:

As a school we got a sense of the scope of the problem just over a month ago when a student in one of the very, very early grades threatened to have his VR (virtual reality) friend 'beat up' another student. A quick check by a show of hands confirmed that over half of these early years' students had online accounts and were communicating with others online, certainly more than a few with complete strangers. It really hit home when we learned a couple of weeks ago that an individual, likely a student but not yet completely confirmed, had assumed the identities of students in a pre-junior high class and began messaging the locations where students sit in class and sending pictures of their houses through Snap Chat. Perhaps even more concerning were the reports in the Examiner about all of the instances of sexploitation in the form of shared inappropriate images and blackmail, sometimes in the thousands of dollars, of both adolescent males and females in the Parkland area.

While it is all too easy to be tricked into thinking that these instances are happening elsewhere, the fact of the matter is that students in and around Spruce Grove are communicating online with strangers. And it is both dangerous and naive to assume that these strangers are the same age as our students. Now, as a school and school division the platforms being used for this communication are banned from PSD devices; it is difficult, if not impossible, for students to access virtual reality or multiplayer games such as Minecraft, Roblox, and Fortnite through the PSD WIFI. Unfortunately, it is many of the online games and gaming platforms such as computers, tablets, and consoles where these activities are occurring. When our children are in their bedrooms on the iPad or computer or playing in the basement playing on the Switch, Xbox, or PlayStation they are in essence inviting complete strangers into their world.

So as adults, what can we do to keep our kids safe? For starters, the PLC School Council would like to extend an invitation for you to attend the April meeting on Wednesday, the 3rd. There, we will be joined by Parkland RCMP Constable Gord Marshall. Cst. Marshall spent many years as the school resource officer at both Spruce Comp and Memorial before moving into his current role as a community liaison officer. Gord will outline what platforms and apps to be wary of as well as he will provide information about what we as parents and guardians can do to keep our children safe. I had the opportunity to invite Gord to a council meeting at my previous school and his presentation and the discussion that followed was well worth attending. We invite you to attend and bring a friend as the meeting has an open invitation to anyone that is interested. We will be starting with a brief council meeting at 6:30 pm with Cst. Marshall's presentation set to begin at 7:00 pm. I hope to see you there. And now, here is what is happening at PLC the last week before Spring Break.

Previously Shared Information

Registration Reminder - If you haven't already done so, it's time to register for the next school year! That includes busing if you need it. Registering before the **Friday March 22nd deadline** will help us immensely in planning for next year both at our school and at the PSD Transportation department. Work is currently underway building bus routes for next year already.

Any applications received after the application deadline may not be processed in time for the first day of school. If your child does not have a valid bus pass for the 2024-2025 school year, they will not be able to ride the bus.

How do I get started?

Visit <https://powerschool.psd.ca/public/> and log into your parent account. Once inside the Parent Portal:

- Select your child's name in the blue bar at the top of the screen.
- Select the RSVP icon on the left side of the screen.
- Begin reviewing all of your current Student Information we have on file, and follow the instructions on the screen to navigate through the various tabs in the form (Student Info, Address, Contacts, Medical, etc.).

I can't remember my login for the PowerSchool Parent Portal.

If you aren't able to retrieve your login credentials using the "Forgot Username or Password?" link on the sign-in page, please contact the school directly for assistance logging in to the Parent Portal. If all else fails, please contact the office at 780-571-8079.

Music Notes from Ms. Surrendi/Fleming - Dear parents/guardians and talent show performers: The auditions for our upcoming Prescott's Got Talent have been amazing, and whether your child will be performing for the final performance or for the classes in their grade, everyone is demonstrating amazing talent!!! **Due to unforeseen circumstances, we will be postponing our talent show until May. You will be contacted with more details at the end of April.** So keep practising and we look forward to an amazing show!

Mrs. Surrendi Shauna.Fleming@psd.ca

Basketball Draws to a Close - While some would measure the success of a basketball season by the amount of hardware collected at the end (and there indeed was hardware) I like to look at the numbers of students and teams that participated and the amount of growth from the beginning to the end of the season. By this measure, it was a very successful season. All of our teams showed tremendous growth and improvement, in no small part to our incredible volunteer coaches. I'd like to acknowledge the following staff and parents for their selfless time and energy:

Sr boys - Arnold Verge

Sr Girls - Mrs. Burgess (and her father!)

Jr A Girls - Mrs. Long

Jr A Boys - Mr. McNaughton & Mr. Brooks

Jr B Girls - Michelle Yeung/Randi Dodman

Jr B Boys - Liz Mrjonovich/Laura Gagnon

And to the players, thank you for your hard work and your representing our school in such a positive manner.

Ski & Snowboard Club Reminders - A reminder to PLC Ski and Snowboard families that if the temperature dips below -20 degrees Celsius, we will look at rescheduling another trip. This will be communicated through our Class Dojo app.

Please send your child to school on these days with all ski/snowboard gear. We will meet your child at the storage room across from the gym and beside the kitchen (same place as last year). We will have this storage room locked for the day. Your child will be dismissed at 2:35 from class to get his/her belongings and get on the bus. Students are welcome to bring their own dinner or money to purchase food and drinks. Please plan to be at the school to pick up your child at 8:00pm.

Just a reminder that the Terrain Park is not available for any students to use while we are at Rabbit Hill. Thank you, Mrs. Vasileff & Mrs. Blanchet

CTF Fee Update - We apologize for the delay in adding the Term 2 CTF fees to PowerSchool. The fees were added to PowerSchool this past week. Thank you for your patience! Should you have any issues after they have been released, please contact Valerie Bradford in the office for assistance. valerie.bradford@psd.ca

Battles for the Badges - The 3rd Annual BATTLE FOR THE BADGES Charity Hockey Game will take place in Spruce Grove on Saturday March 23! Come out and watch the U18AA PAC Saints face off against the First Responders; a team that is composed of Parkland RCMP Officers, EMS, and Firefighters, to raise funds and awareness for mental health supports for First Responders. This year, head down to Central Park early to join in the family-friendly Tailgate Party for some pre-game fun. This is a free event with donations at the door. A 50/50 and Raffle will help raise funds for The Legacy Place Society. Come out and Fill the Stands for First Responders Mental Health! For More information, please see the flyer at the end of this memo.

Edmonton Oilers Spirit Night - This year PLC has joined with the Edmonton Oilers to celebrate *School Spirit night* at Rogers place. Let's show our school spirit and our love for the Oilers by cheering them on this season! Win a chance to sit in the penalty box during warm-ups, have a Mascot visit to our school and other prizes! The top selling school will win prizes selected by the Oilers Group!! Check your child's backpack for the flyer that was sent home last week or scan the QR code attached to the flyer attached at the end of this memo to order your tickets. If the flyer did not make it home please reach out to Ms. Bradford (valerie.bradford@psd.ca) at the office. Ticket prices start at \$63 and there are 8 games to choose from. As a result of the demand from PLC, **the Oilers have let us know that they have added a few more games and have made more seats available.** Please refer to the flyer at the end of this memo.

Final Thoughts - A couple of reminders and a personal request to end off the last week before Spring Break. Bookings for Parent/Teacher Interviews this Wednesday and Thursday close this Tuesday at 4:00 pm. If you have any issues securing a slot please contact the office.

Spring Break starts for students with this Friday's PD Day and runs until Easter Monday on April 1st. The first day back for students is Tuesday, April 2nd.

Finally, I'd like to end off with a request of a personal nature. One of the great things about being in a school are all of the wonderful little gifts and cards we get from students and their families at Christmas. This past Christmas was no exception. Now, my request isn't for more presents (however, I never tire of student-made cards), rather I'd like to identify the individual or individuals who shared a special set of gifts this past Christmas. It was some lovely memorabilia from my favourite hockey team (no, it's not the Oilers, but it's definitely not the Flames or the Leafs either). When I searched the bag there was no card or tag saying where these presents were from. If it was you who shared these gifts I'd like to ask that you come forward so I can offer my thanks and gratitude; you managed to warm an old man's heart.

We will be taking a break from the memo for the next couple of weeks, returning on Monday, April 1st. I wish everyone, whether you are going away, staying home, or have to work (ugh) a restful and relaxing break.

Once again, if you have any questions or concerns please reach out to my assistant principals and me at the school by calling 780-571-8079 or emailing us at:

heather.huisman@psd.ca

esther.vanbeek@psd.ca

chris.shaw@psd.ca.

Thanks for taking the time to read this week's memo. Chris

Attendance Matters

A 90% attendance rate means you're chronically absent.

It's equivalent to missing one month of learning in a year.

Absences reduce your chances of academic success and can negatively impact your mental well-being.
