- December 2024 Board Meeting Highlights
- Counselling Supports Presentation: The board heard from a delegation presentation on Counselling Supports in our Division from our Division Psychologist (Josee Huston), School Councillor (Brittany Thorarinson), and Principal (Leah Andrews) sharing our division supports and services for student mental wellbeing and support.
- School Calendar: The School Calendar for 2025-2026 has been released. It is one of those years where the breaks seem to make sense. The first day of school will be in September after the long weekend, a full week fall break will continue and Christmas/New Year’s break will be from Monday, December 22, 2024 returning Monday January 5, 2026.
- Criminal Record Checks for Candidates: The board considered changing its Bylaws to require Criminal Record Checks for candidates who wished to run in the upcoming election. The recommendation to update the bylaw was defeated 5-1.
- New High School and Horizon Stage: We continue to work with the City of Spruce Grove on potentially building Horizon Stage onto the new high school and consideration of other options to support the City’s efforts. We strongly believe that Horizon Stage is a valuable community space.

- Transportation: The division has a new (but not new) transportation director – Gail Lewis. Ms. Lewis has been with the division transportation department for many years and we look forward to supporting her leadership.
- Changes in Bussing distances for Grades 1-6: The government has amended the bussing boundaries for guaranteed bussing for grade 1-6 students. The Boundary was changed from 1.0km to 1.6km starting in September 2026 (NOT September 2025). One year has been provided by the government to implement this change.
